Introduction

Welcome to 36db and thank you for purchasing the **DB-6000 Device** for Live 12.1.1

Step into the legendary world of sound design with **DB6000**, our homage to the iconic Eventide H3000. Packed with 50 expertly crafted presets, this versatile effect chain delivers the lush harmonics, rich modulations, and otherworldly textures that made its inspiration a studio staple.

Built entirely with **Ableton Live's** stock plugins, **DB-6000** combines classic sound-shaping capabilities with modern flexibility. Every parameter is mapped to macros, giving you unparalleled control and limitless possibilities for expansion. Whether you're dialing in shimmering delays, complex pitch shifts, or experimental soundscapes, **DB-6000** is designed to spark creativity and deliver pro-level results. Redefine your sonic palette with **DB-6000**—a timeless tool for modern producers.

Minimum requirements to use our 36db Micro Element

Ableton Live 12.1.1 Suite™ or newer (Mac or PC). You will also need to have all additional library content that comes with Ableton Live 12.1 Suite™ version installed.

Mac or PC Intel Xeon & i7 or higher Core Processors with 16GB of memory. Mac OS Mojave or higher, Windows 7 64 or higher for PC.

If you have any issues with our products, please contact support@36db.live and we will do our utmost to resolve any situation.

All the best,

36db.

36db User Agreement

By purchasing this Product (subject to the terms of the 36db User Terms and Conditions Agreement), you are granted a non-exclusive, non-transferrable license to use the Product(s) you downloaded from 36db solely for use for or within new recordings or derivative works created by you PROVIDED ALWAYS that you use the Product(s) only within your own newly-created sound recording(s) in a manner that renders the Product substantially dissimilar to the original, assembled sound of the Product in each case.

Products must not be shared with or given or transferred to any third party or uploaded to any file-sharing site or offered for resale or public transmission unless mixed into your own original music productions. Products may not be used in or in relation to any competitive products that are sold or relicensed to any third parties. The number of individual sounds provided to you within your purchased Product and the size of your downloaded file is based upon the highest-quality format version of your Product. Except as expressly permitted herein, to the fullest extent of applicable law you may not copy, modify, distribute, sell or lease any Product.

By opening this pack it is assumed you understand that other purchasers of this pack will have access to the same data and musical materials. 36db will not be held responsible in any manner for any copyright or other music-based disputes or any YouTube/Soundcloud/other digital or web-based ID conflicts that may arise from more than one user creating new musical works containing the same sample(s), midi or other data supplied in this release.

No new musical work created using this product's contents may be used as the basis of any copyright or monetisation claim against 36db Ltd, our online media channels, this Product's intellectual and technical contents or its promotional audio clips, videos or other media. If any such claim arises, you (and/or your distributor) will be asked to end the claim on which ever platform(s) it has been made. We require any such claims to be addressed and removed within a 30-day period.

The Product(s) are licensed to you only for use within your original musical compositions and productions. All copying, lending, duplicating, re-selling or trading of the Product(s) is strictly prohibited, save as used for or incorporated into your original created works. Only you as the original purchaser of the Product(s) has the right to embody and reproduce the Product(s) within your music compositions and productions. For the avoidance of doubt, no ownership of copyright is transferred by 36db to you.
